when you feel like the sky and the wind.  
and you feel like you can sleep again.  
and you feel right on the road you're ramblin'.  
and you feel. feel.  
hey i gotta catch that train.  
no time to take a walk in the rain.  
don't wanna miss that plane.  
no time to take a walk in the rain.  
no time to take a walk in the rain.  
when you feel like your mind's gonna bend.  
and you feel like this could be the end.  
and you feel like the mail you forgot to send.  
and you feel.  
... time to take a walk in the rain.  
no time to take a walk in the rain ...  
and you feel
