you were the one who knew best.
always way ahead of the rest.
no never givin'in to a friend.
you said you had magic in your hands.
i could've told you. you don't hear.
and i could've showed you, that someday,
you would care.
never playin'by the rules.
that was a game reserved for fools.
you didn't need a reason why?.
no you were not even willing to try.
i could've told you. you don't hear.
and i could've showed you, that someday,
you would care.
(no you were not even willing)
i could've told you. you don't hear...
i could've told you. you don't hear
i could've showed you, you've just got you to fear.
i could've told you
