Ren: Boy Stimpy, we sure had fun here today. Now it's time to say good-bye.

Stimpy: Duh... where're we going?

Ren: The record's over. See you next time!

Stimpy: When's that?

Ren: In a little while, man.

Stimpy: What'll we do 'til then?

Ren: You could wax your legs. Listen to your Burly

Benny records. Eat

the fruit cake Anut Esther gave you last Christmas.

Stimpy: (crying)

Ren: Hey Stimpy... I know... you could play the record again.

Stimpy: Play the record again? Oh joy!
