They call me grey because I'm grey
They say so shiny grey
They made me from German cars
And photographs and epitaphs
Of all their favourite dogs.

Well I can think and talk and sink but I cannot see
Oh oh.

I am blind not because my eyes are broke or covered
up
But I am blind because I was designed with no eyes at
all.

I am blind not because my eyes are broke or covered
up
But I am blind because I was designed with no eyes at
all.

People ask why I don't smile
I say I can't smile
My face was not made that way
But in truth I refuse to smile
Because I can't cry without eyes
Ah ah.

Drown, drown me so I can weep.

I am blind not because my eyes are broke or covered
up
But I am blind because I was designed with no eyes at
all.

I am blind not because my eyes are broke or covered
up
But I am blind because I was designed with no eyes at
all.

Please go away, I can't see you anyway
Please go away, I can't see you anyway.

Drown, drown me so I can weep
Drown, drown me so I can weep
Drown, drown me so I can weep
Drown, drown me so I can weep.
