

Voivod "Forlorn"

Now I've come back
Cursing the day
My maker took
My strength away

Planet control
To save my world
Mission complete
Though I am weak

Lost in this world
I am forlorn
Loss of this world
I am forlorn

I fight alone
Me with my selves
Battling ghosts
Part of this hell

Give me some rest
I feel so old
My blood is drained
Turning me cold

Lost in this world
Feeling forlorn
Loss of this world
I am forlorn

Lost in this world
Feeling forlorn
Loss of this world
I am alone

Shadows here
In this place
Planet fear
Death is near

Anark my given name
Close my eyes

Fade away
