Mindless, now you will do as you're told

Restore, worship the god of control

Victims, helpless
New Slave, brain dead
Betray thy god
Facing endless damnation

Prepare, we'll have a new world our own

Regress, withdraw and you'll burn alone
Maintain respect

Obey Insect

Twisting your fate
Facing endless salvation
People from the outside
Craving for utopia
Nowhere near perfection

Future desolation
Join in now, join in now
Join in now, join in now
Promising heaven, celestial home

Inside your head now, insect has grown
There is no problem to analyse
Leaving this wasteland towards the sky

No need to worry, you're in the zone

Mind control fury, whispering tone
Overbearing manipulation
Impure, sadness, manic depression

Victims, helpless
New slave, brain dead
Betray thy god
Facing endless damnation.
