Ride, ride on
Ride the sunrise
To higher ground

Ride, ride on
Ride the hog high
You're glory bound, yeah

Ride, ride on
There is no time
You're moving on

Ride, ride on
There is a sign
Another town, yeah

Bad muckin' luck and misery
All is forgotten memories
Trouble and time left way behind
Trouble and time, a thousand crimes

And all the things you will regret
And all the things you can't forget
There's no reason to be ashamed
For your many ill-gotten gains
Yeah, yeah, yeah, yeah

And the moonbeam shines on the chrome

Ride, ride on
Don't you realize
What's going on

Ride, ride on
The road to the stars
You're riding on, yeah

Did you ever live in this world?
Were you ever within your world?
You're on the way, you're out of love
Ride on and on until you're gone

Do you believe you now are free?
Do you believe you're born to be
The moonbeam rider in the sky
The moonbeam rider [Incomprehensible]
Yeah, yeah, yeah, yeah
