Violence overdose  
Broadcast coast to coast  
Blood drools on the screen  
Dare to watch that scene  
Carcasses showcase  
Sitcom of depraved  
Win & gun sweepstake

And I hope I can find  
An image or a sign  
The reasons why I'm blind  
Don't you just red my mind  
So I hope I can find  
The know-how and the time  
To read between the lines  
Red my mind, red my mind

In ware zone at school  
Learning to be cruel  
Then on the way home  
Face what scares the most  
Rival gang members  
Junkies and dealers  
Hookers and killers  
Mom, dad and sisters

The only way  
It's sad to say  
To stay alive  
Don't close your eyes  
Don't close your eyes

Yeah I grew up  
With all that stuff  
There is a toy  
I still want to enjoy  
It has to stop  
I have enough  
I'm gonna try this  
Around the block  
I'm gonna try this

Triple life sentence  
Triple death nonsense  
I used to be good  
Now I'm bad for good  
For good
