I lost my key, where is the door?
Am I living here anymore?
My souvenirs thrown on the floor
It's never been this bad before

I went outside to get a life
But everything was closed up tight
Why should I care? Why should I run?
Now that I'm home, my guitar's gone

I'm taking it day by day
Life goes on, oh yeah, life goes on
I'm taking it day by day
Life goes on, oh yeah, life goes on

Awake at night, I look outside
A burning car in the dawning light
A sorry sight, another fight
A scenery in black and white

What can I do? What can I say?
It's a hard time in a hard place

I'm taking it day by day
Life goes on, oh yeah, life goes on
I'm taking it day by day
Life goes on, oh yeah, life goes on

Don't ask me if I feel alright
I'm glad that I am here tonight
Don't ask me if it's wrong or right
Remember everything is fine
Remember, forever

It's getting worse, most everyday
But has it always been this way?
This price I have to pay today
My goddamn house is down in flames

A traffic jam, commercial breaks
And politicians' big disgrace
This planet earth, it's where I live

It's where I'll die, I do believe

I'm taking it day by day
Life goes on, oh yeah, life goes on
I'm taking it day by day
Life goes on, oh yeah, life goes on

Don't ask me if I feel alright
I'm glad that I am here tonight
Don't ask me if it's wrong or right
Remember everything is fine, remember
Forever, remember, forever, remember
