Artist: Out Of My Hair

Title: Care Alot

Fate, like in Tristan's dream
Is spending time with me
I gotta get alone
I gotta get back home
For another week
Coz I can't even speak
And I just haven't been
Spending time with me

Chorus:
Care alot
All I do is care alot
I take my time and share it up
It's nothing bad of me
Something's wrong
And all I do is carry on
And all I do is care alot
It's nothing bad of me

S'poze, I could always go
I never felt so low
I never felt so weak
That I can't even speak
And I just haven't been
Spending time with me

Chorus

I care I care I care I care
