Title: Cool Mathematician

Big strong man come looking for me
Tryna keep himself in touch
With the almost single mathematician
His mind on a steady lunch
He goes yak yak yak yak
Burning his yak
Burning up his yak all day
For the cool cool Mathematician
Now he won't just go away

And it's getting slack
You won't talk back
And it's gonna crack
You don't talk back

Sweeny come down staring at me
Staring by the side of the road
I got a long hair disposition
And my mind's on a heavy load
I go back back back
Back in the bug
Sitting in the bug all day
With the cool cool Mathematician
and my my it's a heavy weight

And it's getting slack
You won't talk back
And it's gonna crack
You don't talk back
Look at where you're at
It's getting slack
And it's gonna crack
You don't talk b..b..b..back!
