Title: Drop the roof

It's good to see you
But I don't please you
And you should tell me the truth
'Cos my body is aching
My bed's been shaking
I wanna get in gear and
Drop the Roof

Drop my nails in it
Felt so cold in it
Spun my time weaving
Pictures not to scare the ghosts
And then I rise in it
Fantasize with it
And I change my style in it
Whisper and let it go

It's gonna take good time
And be just fine
I'd love to offer you some proof
But my body is aching
And my beds been shaking
I wanna get in gear and
Drop the Roof
