Title: Gracie's social please me's

I bought a picture and it came
From this girl
It was so movin'
But when I got home I couldn't
Pick up the tones
It felt so grueling

Chorus:

Calm it right down, pick up the baby
Gracie's social please me's
All on my own, cutting up daisies
Picture me, so damn easy
Gracie's social please me's

Rich as you like it
Which is the price
At which you'd suit me
Come on the vices of American prices
And the fruit queen

Chorus

I should stay in and write a letter
It's not too big enough you know
It's not so big you can't let go
It's not so big you should feel better

Give me a flyer, pick up the mic
And shoot me
Jaguar herd its like the bird
On the word
Yeah it's got groupies

Calm it right down, pick up the baby
Gracie's social please me's
All on my own, getting it crazy
Picture me, so damn easy

Gracie's social please me's
