Title: Is it in my atmosphere

Telling me I got no fears
Telling me I got no tears
Is it something I should fear
Is it in my atmosphere
Or is it that I just don't care
You're trying hard but you won't share
Is it something I should fear
Is it in my atmosphere

And is it right that you should mind
The truth of life is hard to find
I dunno what I'm doing here
Is it in my atmosphere
Is it in my atmosphere
Is it in my atmosphere
Is it in my atmosphere
Lets fear
Is it in my atmosphere

Telling me I got no mind
Telling me that I am blind
You dunno what to say to me
She laughs across the Burmese Sea
I dunno what I'm doing here
I dunno why you're plagued with fear
And even though you mean those tears
Is it in my atmosphere
Is it in my atmosphere
Is it in my atmosphere
Coz I been spinning out on air
Looking down without a care
Try'na keep myself between
All the places that I've been
People talking without blame
People walking without shame
And I have seen your destiny
And it is not the life for me

Tell me what you wanna be (repeat and fade)

Is it in my atmosphere (repeat and fade)
