Title: Jane dear

-----

Jane dear  
Your inspiration always leads me  
To the depths of desperation  
I feel so close to tears  
Your inspiration always leads me  
To the depths of desperation

I wanna go to the sea

This year  
You know the summer months of madness  
Fade away next to Jane's sadness  
I feel so close to tears  
Your inspiration only leads me to  
the depths of desperation

I wanna go to the sea This year  
All the waves of my engagements  
Passes up my old relations  
I feel so close to tears  
Your inspiration only leads me  
To the depths of desperation

I wanna go to the sea
