Artist: Out Of my Mair

Title: Judas Flip

Passing out of a maudlin occupation
And sticking loads of
Pamphlets on the wall
Struck down by a vermin inclination
That Judas Flip is the
Greatest queen of them all

Chorus:

Judas Flip is the greatest queen of them all
So turning loose from the
Fucked up situation
I don't think the blanket's
Gonna help the cold
I'm stuck inside with a
Burnt up pen and paper
Singing Judas Flip is the
Greatest queen of them all

Chorus Touch my head my eyes gone blind
My mouth is dry my hands are tired
My skin is blemished with disease
They say you're cool so rescue me

I cut loose 'cos I feel like
I can't just stay here
I'm gonna take my chances
I'm gonna ball
Cos all at once I've got a burning reputation
and Judas Flip is the greatest queen

Chorus
