Title: Lipstick on your cigarette

-----

You can beg and you can bleed  
But you got dire streaks inside you  
And you can offer me tea  
But I don't need it  
I don't believe it  
Just tell me what you wanna say

Chorus:

You got  
Lipstick on your cigarette  
I know why you're over it  
Lipstick on your cigarette  
You're not alone

Well you can offer me proof  
But I got a fiver  
On where you hide her  
You turn me off with your rules  
I don't need it  
I don't believe it

Chorus
