Artist: Out Of My Hair  
Title: Maggie and Casey  
-----

Casey cried  
Maggie screamed  
And they both heaved a sigh  
And their faces they cleaned  
But then hands were a threat  
A kiss was enough  
Maggie had tired  
And Casey would ask, and

Chorus:  
Maggie said  
I love ya dearly  
But my life is a mess  
And I just can't think clearly  
So give me my time  
To sort myself out  
And I'll give you an answer  
And leave it in no doubt

But that was not good enough  
For the lovestruck Casey  
Cause he worshipped her mind  
And her looks drove him crazy  
So he pressed and he pushed  
And he wore her down  
And before he knew it  
She was sleepin' around, but still

Chorus

And then the, the shouting started  
And the tears would flow  
How could she treat him so bad  
He didn't know  
In equating the two  
Was he behind  
If he was loving her body

And still loving her mind, and yet

Chorus

And slowly, but slowly  
She turned him around  
Peace within himself  
And forgiveness he found  
And he saw not to push  
And he saw not to smother  
And in return for his change  
They had only each other

And Maggie said  
I love you dearly  
And my life's getting better  
I can think more clearly  
So I can give you my time  
And give you my heart  
And much more respect  
In a brand new start

Oh yeah, Maggie said, mm  
Maggie said, yeah yeah  
Oh yeah, Maggie said, mm  
Maggie said, yeah yeah yeah
