Title: Mary

-----

I could move the sky above you  
Drifting in the sun  
You could spread your words upon me  
Like we've just begun

But every time I try to touch you  
You burn my mind instead  
You only move so I can't reach you  
You act as if I'm dead

Chorus:  
But Mary it's not fun  
We're killing things we've done  
Reach out for me now  
And then you'll find  
You blow my mind  
You live inside  
And then you'll find  
You blow my mind  
You live inside

Well I can see the things you  
Do they make me sad  
And I don't know which way to  
Take the fears I have  
I'll turn around as if to make up some command  
And all the time I wonder why  
I can't relax  
But it doesn't shine,  
It doesn't climb,  
It doesn't rise  
The words we say, wont go away,  
They never hide

But I could move the sky above you  
Drifting in the sun  
And you could spread you words upon me

Like we've just begun
