Title: River of gold

-----

I wandered 'round searching hard on the ground  
Digging through all of my roots  
I came to the sea and it looked back at me  
And offered me some of it's fruits

Chorus:

I bought a river of gold  
And I drank 'till I drained it of juice  
Then I laid down on the ground  
And slept the whole day through

When I awoke I shot up with a bolt  
And wondered what next to do  
The choice in my brain was quite simple and plain  
Should I stay or should I move

Chorus

Break:

When I close my eyes  
My head starts to rise  
My worries disappear  
But things become unclear

When I opened my eyes there was mud in the sky  
Raining down into my boots  
But why wash it with deeds when  
I've still got the sea  
To offer me some of it's fruits

Chorus
