Title: Show the way

You can show the way, baby
Pull the plug away
Let the others play
They can't lose
They got nothing to prove
So put on your shoes
And get them to move

You can let it rain, crazy
Lock the stars away
You can meditate
You can prove
It means nothing to you
So put on your shoes
And get them to move

Coz I got a feeling
That you're almost through
The days approaching
And you're turning loose
My hands are shakin'
But I don't know why
If we ever try
We can make it by

You can show the way baby (repeat and fade)
