Title: South Carolina

-----

Winding my way round South Carolina  
I refuse to go  
Living my dreams down sweet city winders  
I refuse to know

Can you please please tell me  
Where I'm going  
Can you please please tell me  
Where I'm going

Coz I've been sick  
And I've been getting weaker  
I've been and died  
It changed my life  
It takes me far away  
Another road  
Maybe it be easier  
A little down, a little down  
If I only know the way

But seeing as I sleep here  
Please please remind her  
That I refuse to go  
Saving my words for Southern Carolina  
I refuse to know

So can you please please tell me  
Where I'm going  
Can you please please tell me  
Where I'm going  
Where where I'm going, yeah
