Title: Stop beating the beat

I'm saving up the things that I need
To get myself a place by the sea
I think I'll build a box in the sand
To take away the green off my hands

Stop beating the beat
Jimmy or me
Stop beating the beat
Jimmy or me

I've found myself a hole in my toe
And there's no other hole I can go
I'll take away my stash for all year

From the outside of the otherside
I'll get mine on the otherside

Stop beating the beat
Jimmy or me
Stop beating the beat
Jimmy or me Does she tango
This cosmic mango

Stop beating the beat
Jimmy or me
Stop beating the beat
Jimmy or me

Does she tango
This cosmic mango
Does she tango
This cosmic mango

Stop beating the beat
Jimmy or me (repeat and fade)
