Title: Sweet and low

Sweet and low
Got a little shadow in my pocket I
I can't let go
And full loving ain't gonna stop
I don't have the bones to get with you

Hanging round
Sweeping up like the little fagins
Of London Town
Sniffing round for the big occasion
I don't have the bones to get with you

Well it's not just the way you act
That keeps you in it
It's a matter of trust
That leaves you battered and blue
It's a cold reflection
Of a cold engagement
And the underhand ways
Of the things you can do

Repeat verse 1 and chorus
