Artist: Out Of My Hair Title: Take a brake

-----

The leading lady says
She's crazy by the pool
And she can walk
And she can talk so she must rule
We know it's true
So why don't you

## Chorus:

Take a break, a little break
Let me show you how to wait
A little break a little shake
Let it love and let it ache
Take a break, a little break
Let it love and let it wait
You know what you're s'posed to do
When it's getting right close to you

Arcane procedures
By the geezers in the room
Magic mushrooms and bad productions
And pay per view
We know it's true, so why don't you

## Chorus

The closer you get into your life Into your life
