Title: The nail is closer

His nail is closer to the floor
But I can't see him anymore
But he's close enough
But he's close enough
To go wild and to want more

He thinks he'll build a bigger wall
So they can't reach him anymore
He burns the best of love
He burns the past we love
To go wild and to want more

Gotta lotta things I wanna prove
What have we done to you
It is somethin' that's been on my mind
I need to find a little time

He thinks he'll build a bigger wall
So they can't see him anymore
But he's close enough
But he's close enough
To go wild and to want more
