Artist: Out Of My Hair  
Title: The proof of you

-----  
I kinda like the picture  
By the wall  
I kinda like you more now  
The more time calls

Chorus:  
This is the proof of you  
Stand there and you don't approve  
This is the truth of you  
Fading out the way  
Make love like a warrior  
Make love like a foreigner  
Make love coz you don't know her  
Fading out the way  
Making sure you stay straight

But now I think  
I'm moving past the bends  
And now I think I'm proving my own ends

Chorus

Come and see what is going round  
I'd offer you a taste  
But you'd just wait  
You'd just wait

You'd blame it on your mother  
She made you small  
You'd lay it on the lover  
Who made you crawl

This is the truth of you  
Stand there and you don't approve  
This is the proof of you  
Fading out the way  
Make love like a warrior

Make love like a foreigner  
Make love coz you don't know her  
Fading out the way  
Making sure you stay straight

This is the proof of you  
This is the proof of you  
This is the proof of you  
This is the truth of you  
This is the proof of you  
This is the proof of you  
This is the proof of you
