Artist: Out Of My Hair

Title: Thieves in the fanclub

The waves are breaking up between us
And still you're flowing through my hair

How many times, the ages defy me
Go nowhere

This is a time that I am changing
This is a story as it dies
Too many nights, unable to fight,
Have cut me dry I know this place
It sucks my face

Chorus:
But there are thieves in the fanclub
And it's not right if you take my life
Well I saw you're on fire
But baby it's not fair
If you take me there

This is a place that shows the way from
This is a calming of my life
Is this the price of throwing
The dice on the other side

I know this place
It sucks my face

Chorus

I get so confused
When I look at you
When my mind is true
What will I do
I cannot be amused
When I feel so confused
When my mind is true
Oh what will I do

Chorus
