Keep it up my baby don't go don't leave it on top  
Keep it up my baby don't go don't do it on top  
Keep it on my baby \*\*\*\*\* pop  
Keep it up my baby don't go don't leave it on top

YEAH

See all the lovers walk hand in hand in the park  
And hide all the action  
One couple are frozen and bondage forever more  
With chains around the ankles  
Standing like statues, so lucky to see them here  
And feeling their presence  
Their love for each other was taking away by force  
For ages and ages

Be silent where ever they go  
Cos their moment is forever  
Be silent whenever they dance

Their story goes on that they're moving away by  
thoughts  
From city to city  
Showing that love can't be killed even after dark, and  
after their death

Dancing with shadows so lucky to see them here  
And feeling their presence  
The chain around ankles is rattling their melo song,  
forever and ever

Be silent where ever they go  
Cos their moment is forever  
Be silent whenever they dance oh  
A bow for the couple that shows that their moment is  
forever  
Be silent whenever the dance

Keep it up my baby don't go don't leave it on top  
Keep it up my baby don't go don't do it on top  
Keep it on my baby \*\*\*\*\* pop  
Keep it up my baby don't go don't leave it on top

Be silent where ever they go  
Cos their moment is forever  
Be silent whenever they dance oh  
A bow for the couple that shows that their moment is  
forever  
Be silent whenever the dance
