Feel the fire he's entering the ring.
His mindset only knows how to win.
This Danish fighter will break you in two.
You will feel all his power.

The Viking warrior Mikkel Kessler will now brand his
name.
In the back of your head.
Yeah you feel the floor again.
Unleashing his hell you will not even hear the bell.
Maybe you're strong but you don't stand a chance.

Feel the power of the warrior.
Fight, fight, fight, fight.
Let's get ready to rumble.
Fight, fight, fight, fight.
Breaking your record and breaking your bones.
Born a warrior with a code.
A champion feeding your face with a fist.
You will feel all his power.

The Viking warrior Mikkel Kessler will now brand his
name.
In the back of your head.
Yeah you feel the floor again.
Unleashing his hell you will not even hear the bell.
Maybe you're strong but you don't stand a chance.

Feel the power of a warrior.
Fight, fight, fight, fight.
Let's get ready to rumble.
Fight, fight, fight, fight

A gladiator's left and hook.
Fight, fight, fight, fight
Feel the pain tomorrow.

Behold here comes the son.
Believe it he was born to be the chosen one.
The call is for a warrior.
His name will echo in the sea and on the ground.

Feel the fire he's entering the ring.
His mindset only knows how to win.
This Danish fighter will break you in two.
You will feel all his power.

The Viking warrior Mikkel Kessler will now brand his
name.
In the back of your head.
Yeah you feel the floor again.
Unleashing his hell you will not even hear the bell.
Maybe you're strong but you don't stand a chance.

Feel the power of a warrior.
Fight, fight, fight, fight.
Let's get ready to rumble.
Fight, fight, fight, fight.
A gladiator's left and hook.
Fight, fight, fight, fight.
Feel the pain tomorrow.

Behold here comes the son.
Believe it he was born to be the chosen one.
The call is for a warrior.
His name will echo in the sea and on the ground.
