Sweet Caroline, how great though art
Wear my ring around your neck
With a big honk of love
Don't be cruel you gotta treat me nice
I just can't help believin'
I got suspicious minds

[Chorus:]

Well, such a night it is
You the devil in disguise
Who am I it's midnight, I'm leaving
Rubberneckin I've got a thing about you, babe
A hundred years from now roll on

Sweet Caroline one night with you
At heartbreak motel
We'll make the world go away
If you talk in your sleep it ain't no big thing
We can make the morning
The impossible dream

[Chorus]

Sweet Caroline bum bumb bum bumb bum bum
How great thou art
Wear my ring around your neck
With a big honk of love
If you talk in your sleep it ain't no big thing
We can make the morning
The impossible dream

[Chorus:]
