Little Lucy out to cruise
On the road with pills and booze
Only sixteen years of age,
She got her motherfucking life
Destroyed that day

Danny is twenty eight
The motherfucker is doing drugs
And just don't care
Falling down the line,
Slowly losing grip of life

Dear mother, listen father,
Little sister, baby brother
Read this letter,
'Ñause I'm never coming home
I'm out with Danny
'Ñause I'm tired of hearing
All the broken words
Of a better day
I'm fine with Danny
You broke your word

Dear Mr. and Mrs. Ness
I'm sorry to bring you this
We believe we found your girl
In an old burning car way up the hill

Dear mother, listen father,
Little sister, baby brother
Read this letter,
'Ñause I'm never coming home
I'm out with Danny
'Ñause I'm tired of hearing
All the broken words
Of a better day
I'm fine Danny
You broke your word again
I'm fine with Danny
You broke your word
