Drunken spectators, the crucified demon on my
shoulder cry loud
Banging the head against the table
The whiskey can no longer find it's way home
In the corner of fallen fights a cat sits licking it's
wounds
It's eyes will forever take me home

OOOOH devil from the birth [x2]
OOOOH devil or the blue cat's song

Poisoning the mind with liquor who calls all the demons
to shine
Pain no penance, forget the martyrs
This is your own way to copy your mind
In the corner of fallen fights a cat sits licking it's
wounds
It's eyes will forever take me home

OOOOH devil from the birth [x2]
OOOOH devil or the blue cat's song
In the light I'm blind but I'm clean
And they know in the darkness I'm home
Well there's something else and it's screams
And I know, if let I lose

OOOOH devil from the birth

The unexpected struggle to come back and plotting the
forecast to stars
Fixtures the escot among the remembrance of the days
that was falling apart
In the corner of fallen fights a cat sits licking it's
wounds
It's eyes will forever take me home

OOOOH devil from the birth [x2]
OOOOH devil or the blue cat's song
