An outlaw walking through the valley of men  
Glared with a sunken eye of death  
Moved his head from side to side and said  
Come on you gutless slugs fight like a man  
State your name and business and let's see what you  
got  
Another body for the hangman's count  
Show me the bar, and show me the cards  
Hold on to your guns

Filled up with bug juice  
The moonshine in his hand  
Hot headed with a temperament  
The speediest deadliest man with a gun  
A bloody gambler but a gentleman dog  
A frontier vagabond who charms all the dames  
Hello ladies, how's your day today  
Let me introduce you to myself  
Doc Holliday

Ooooooooooh  
The outlaw man's roar  
Ooooooooooh  
The outlaw man

A friendly man but without a friend  
Fort Griffin Texas here I am  
Supported Wyatt Earp to the very end  
Cemented brotherhood  
Don't get in his way  
You cannot shake his boots  
You cannot scar his fate  
Down under you will hear him grin  
Great the man the outlaw himself  
Doc Holliday

Ooooooooooh  
The outlaw man's roar  
Ooooooooooh  
The outlaw man

Filled up with bug juice  
The moonshine in his hand  
Hot headed with a temperament  
The speediest deadliest man with a gun  
A bloody gambler but a gentleman dog  
A frontier vagabond who charms all the dames  
Hello ladies, how's your day today  
Let me introduce you to myself  
Doc Holliday

Ooooooooooh  
The outlaw man's roar  
Ooooooooooh  
The outlaw man
