"Heaven Nor Hell"

Well I've heard
that the devil is walking around
I sold my soul way down in the dirt
But stole it back now forever in debt

And for a moment I don't even care
Until I felt his breath at my neck
And maybe even you can feel it too
His on a strike and looking at you

Holding on to his words but baby
I saw an angel become the devil
Still they walk pretty good hand in hand
But baby I don't need any of them
heaven nor hell

Well I've heard
that the morning star of a prince
Was invoked on a Monday on earth
I found his business card in the mud

And for a moment I don't even care
Until I felt his breath at my neck
And maybe even you can feel it too
His on a strike and looking for you

Holding on to his words but baby
I saw an angel become the devil

Still they walk pretty good hand in hand
But baby I don't need any of them
heaven nor hell

Evil came down on earth
And it beholds
more than you love
more than you love

Heaven don't fall on earth
What you behold
is no longer a word
no longer a word

Well I've heard
that the devil is walking around
I sold my soul way down in the dirt
But stole it back now forever in debt

And for a moment I don't even care
Until I felt his breath at my neck
And maybe even you can feel it too
His on a strike and looking at you

Holding on to his words but baby
I saw an angel become the devil
Still they walk pretty good hand in hand
But baby I don't need any of them
heaven nor hell
