Saturday I love you like gold
Not like the monday, you passed like a ghost
The fire killed you like a motherless child
I saw you last sunday at Barbara Hotel
oh oh oh oh oh- oh babe I'm so sorry
And know where to go...

Could scream like a pig, Could bark like a dog
Just to get attention as I'm chasing you down the hall
oh maybellene you've been so lonely
Got the fire burning as I'm smoking you out again
Still all the leaves will keep on falling
until I see you dancing on the table 45 again

(I) See her dancing for the young ones oh oh oh
Maybellene i hofteholder
Could you be the only one
oh I beg you to come home
Dance forever my only one

Could scream like a pig, Could bark like a dog
Just to get attention as I'm chasing you down the hall
oh maybellene you've been so lonely
Got a fire burning as I smoke you out again

(I) See her dancing for the young ones oh oh oh
Maybellene i hofteholder
(I) See her dancing for the young ones oh oh oh
Maybellene i hofteholder
Could you be the only one
oh I beg you to come home
Dance forever my only one

I flicked the switch at monday night
Oh Maybellene I'm so sorry that I didn't see it comming
and now the sky are filled with prayers
oh baby I'm so sorry I was blind
