Time keeps painting my darling  
Ripped all the flowers in the garden  
Oh baby come home, you angels bring her home

Imens stÅr solen over hÅ, jen  
Han mindes den sommer hvor hun strÅlede  
Forsvandt i haven grÅ, n, og trÅernes sang hun fandt

Time keeps painting my darling  
And the garden keeps on singing the old song  
Oh baby still I am waiting in the light  
Hoping the angels would carry you home

Den sang tog mÅ, rket i sin pote  
Den bar hang kvinde i dens kolde favn  
Og lagde hende for hans dÅ, r i silke kjole

Hoping the angels would carry her home  
Leaving it all with my only friend  
Her beauty was lifeless on the stair  
Oh baby I'll carry you away into the garden's tale  
But every thing died and turned to stones  
I laid her down under the old oak

Seeing it all blossom for ever more

Time keeps on painting my darling  
And the garden keeps on singing the old song  
Oh baby now I know you're in the light  
Painting it all with your colourful songs

Imens stÅr solen over hÅ, jen  
Hans skygge kastes ud i haven grÅ, n  
Forsvandt for evigt og uden en note

Hoping the angels would carry her home  
Leaving it all with my only friend  
Her beauty was lifeless on the stair  
Oh baby I'll carry you away into the garden's tale  
But every thing died and turned to stones  
I laid her down under the old oak  
Seeing it all blossom for ever more

Time keeps on painting my darling  
Ripped all the flowers in the garden  
Oh baby you're home, you angels where are you
