Be Afraid Of The Night, Be Afraid Of The Night

Be Afraid Of The Night, Be So Afraid

We Dress In Leather, We Dress In Black

We Are The Army Of The Undead

Our Skin Is Pale, Our Blood Is Cold

We Want To Make You One Of This Undead Fold

Scream For Your Mortal Life, Scream For Your Mortal
Soul

Goodbye To Daylight, Here We Come!!

We Are The Other Ones, We Are The Other Ones

We Live In Darkness, We Shun The Light

We Are A Daily Growing Tribe

Our Bite Is Sweet, Our Bite Is Strong

Be Our Victim Now Before The Break Of Dawn

Scream For Your Mortal Life, Scream For Your Mortal
Soul

Goodbye To Daylight, Here We Come!!

We Are The Other Ones, We Are The Other Ones

Be Afraid Of The Night, Be Afraid Of The Night

Be Afraid Of The Night, Be So Afraid
