The way the world is changing, we just cannot keep up
So many people give in, into temptation
You feel your life not happening. You feel so alone and
afraid
and there is no one listening. Get on your knees and-
pray
Do you feel like there's no tomorrow and you feel like
no one cares
Just put your trust in Jesus. He will always be there
He'll wash away your sorrows, bring you a brand-new
day
Call him into your heart and there he will...

Bounce, bounce you up. Bounce, back up.
Bounce, bounce you up. Bounce, Bounce Back UP^

You feel there is no escaping and life just brings you
down
And there ain't none of your friends to even be found
You feel the weight of the world, you feel you can't get
ahead
You're wishing for a new day get on your knees and-
pray

Do you wish for a new beginning and you pray for the
pain to and
Just put your trust in Jesus he'll be your truest friend
He'll wash away your sorrows bring you a brand-new
day
Call him into your heart and there he will....

Bounce, bounce you up. Bounce, bounce back up
Bounce, bounce you up. Bounce, Bounce Back UP^

Do you feel like there's no tomorrow and you feel like
life's not fair
Call on the name of Jesus, he's the one that truly cares
He'll wash away your sorrows; bring you a brand-new
day
Call him into your heart and there he will..

Bounce, bounce you up. Bounce, bounce back up
Bounce, bounce you up. Bounce, Bounce Back UP^
