Came home from work, just the other day
my son was bored with nintendo
no one else could play. Took a ride to my sister's
she was going to do my hair
much to my surprise
all my nieces and nephews were there.
They were having a good time
dancing all around.
Ooh those kids sure know how to get down.
The boys were doing the running man
they were doing it pretty well.
The girls were shaking their bottoms
and long pony tails

(chorus)

Nieces and nephews, I love them one and all
every time we get together
we're bound to have a ball
Nieces and Nephews I love everyone
next time we get together
we're gonna have some fun

On a hot summer day in San Jose'
took a little ride. Ended up at the arcade
there were kids of all kinds
They were having such a good time
playing all the games,
but the yelling and screaming
nearly drove me insane

Nieces and Nephews the trouble they get in
Most times you want to hug 'em
if they're not getting under your skin
Nieces and Nephews, I love them one and all
Every time we get together.....

We all get together and have so much fun
On Birthdays and Happy Holidays
You ask me my favorite I can't name you one
They're all precious in their own special ways.

(chorus) to end.
