You're O.K.  
Your smart  
You're in  
...

I've got so many problems  
My life is such a mess  
I need some tender lovin'  
Just give me your address.  
You've got so many problems  
Your life is such a mess  
But if you start complaining  
No girl's gonna say: yes  
You're O.K.  
You're smart  
You're in  
...

Yes I know  
yes I know  
I'm a supergirl  
And I love to be with you  
You've got a style and your smile means the world to  
me  
But I won't marry you

Well  
you can call me after eight  
Hot number 31024  
If you should care to go  
To the midnight show  
And if you're still in shape  
Together we could taste  
The greatest strawberry sunday on the Camps-Elysees  
You're O.K.  
You're smart  
You're in  
...

It's easier together  
than being all alone

Life can be much better  
when you're not on your own  
It's easier together  
than being alone  
But when love is all what matters you're feelin' like a  
clown.

You're O.K.  
You're smart  
You're in  
...

Yes I know  
Yes I know  
I'm a supergirl  
...  
You stay up sitting there  
Lonely as can be  
Better dance for me  
Better sing with me

You're O.K.  
You're smart  
You're in
