I cant take it back  
I lost my last resort again  
And memories are fading away all along

I've done my last mistake  
Before i even noticed why  
I was left behind

A chance to say  
Why im here  
Where i go... HEY!  
Dont forget  
Remember who you are  
Here i go!

The unforgoten lies  
Still marked up on the walls  
One by one sprayed with blood all along

Why i cant deny  
Its not what i used to be  
Just set me free

A chance to say  
Why im here  
Where i go... HEY!  
Dont forget  
Remember who you are  
Here i go!

WHY?!?

I have the right to say , I have the right to think  
Not following the wave , go with what i believe in  
I know it's true  
Another doubt at night , before i go to sleep  
Another broken life , flattered by thousands sins  
I can't believe it's true  
Lets go!  
Its true  
Its true

A chance to say  
Why im here  
Where i go... HEY!  
Dont forget  
Remember who u are  
Here i go!
