Well, every Saturday night, along about eight
All the teenage boys are pickin' up their dates
They're goin' to the party, yes siree
They're goin' to the Bop Hop Jamboree

Well, everybody's rockin'
Really doing things upright
Yeah, right tonight
Everybody's rockin' at the jamboree tonight

Well, all the social cats are bound to be there
If you ain't hip, oh man then you're just a square
All you gotta do to dig this jive
Just kick off your shoes and really come alive

Well, everybody's rockin'
Really doing things upright
Yeah, right tonight
Everybody's rockin' at the jamboree tonight

Well, it's a crazy rhythm at the start of the race
Everybody's movin' at a terrible pace
They got their dates, don't wanna be late
'Cause it's the kind of music that just won't wait

Well, everybody's rockin'
Really doing things upright
Yeah, right tonight
Everybody's rockin' at the jamboree tonight

Well, everybody's rockin' at the jamboree tonight
