"Come Sweet Death"

You're like a dream
Dipped in delirium
You're my destiny
And my destruction
I desire you
I despair of you
And all endlessly

Come sweet Death
Sing me a serenade
To wash away
The blood that stains
Every single part of me
Come on Death
Play me a symphony
Then take me
For a bite to eat
There's a vendor
Just down the way

You come to me
In my darkest moment
I've no regrets
Nothing left to lament
No eerie skull
No scary scythe
You're a pretty face
And a warm embrace
I never dreamed
Death could be so sweet
'Til she came for me

Come sweet Death
Sing me a serenade
To wash away

The blood that stains
Every single part of me
Come on Death
Play me a symphony
Then take me
For a bite to eat
There's a vendor
Just down the way
Take me away

Tell the other six
'Don't stay up late
We've gone away on holiday
No need to fear
No need to cry
Just because
This is goodbye
Goodbye
Goodbye, cruel world
