"Day of the Dead"

I was just a tourist the first time I went to Mexico
I was stranger, in danger in a world unknown
A clap of thunder and the ground around me did explode
And the skeletons in dozens come out from that hole

Why? No lie!
It was the Day of the Dead! Did you hear what I just said?
oh-oh-ohh
I didn't even know
It was the Day of the Dead! I try not to lose my head
oh-oh-ohh
Way down in Mexico

The place was jumpin with carribas playing to and fro
An evil skeleton made of with my beef burrito
They opened the pinata and a swarm of bats went up my nose
I lost bowel control and I knew that it was time to go

Why? No lie!
It was the Day of the Dead! Did you hear what I just said?
oh-oh-ohh
I didn't even know
It was the Day of the Dead! I try not to lose my head
oh-oh-ohh
Way down in Mexico

The locals tell me not to fear
It happens at least once a year
When hell is full the dead will walk the Earth and apparently they come up here
For the beer!

(laughes and whoes)

Why? No lie!
It was the Day of the Dead! Did you hear what I just said?
oh-oh-ohh

I didn't even know
It was the Day of the Dead! I try not to lose my head
oh-oh-ohh
Way down in Mexico

DÃa de los muertos, cien calacas viÃ³
oh-oh-ohh
Y el gringo se asustÃ³
DÃa de los Muertos, el cabrÃ³n se arrugÃ³
oh-oh-ohh Aqui en MÃ©xico
