When i hear your name....
I go soaring right back to that place
red lipped basement bedroom
incense and your perfume
was the final time i saw your face

Monday at school....
"Oh my god! did you hear who just died?!"
i covered up my ears and i couldn't bare to hear it
About a shot that rang out in the night
Hold on....
Hold on and on and on and on...

There's a place where you and i looked in each other's
eyes
and swore that we'd be free
so please tell me why
you sacrificed all that you would be
you hadn't much to weigh

A photograph...
is the only piece of you i have
in that hula skirt you
smiled yet none of us knew
how much pain was behind that smile
Hold on....
Hold on and on and on....

There's a place where you and i looked in each other's
eyes
and swore that we'd be free
so please tell me why
you sacrificed all that you would be
you threw away your dreams?

only heaven knows why
you sacrificed all that you would be
you threw away our dreams?

Someone died to live...
Somebody loved to give...

Someone died to live...
Somebody loved to give...
