[Verse]

Yeah

Hoe bitch, hoe bitch, no I wanna fuck

Take off yo' pants in the back of yo' truck

Please wet your whistle and go down on me

Please make the little funky sound on me

Lick it on the bottom and bite it on the top

Lay your sexy ass back and let the panties drop

Magnums, MAGNUMS! Tell me where you be

Front pocket, back pocket, under the front seat

Shorty pipin hot so I commence to finger poppin

Pussy nice and wet so you know it ain't no stoppin

But where be them jim hats, man it's goin down

Left hand on the titty right hand search the ground

Dog this little bitty's startin to get a little bored

Oh yeah I left them condoms, on Megan's floorboard

Damn!
