I met you once, i loved you twice
Thats the way this tale begins
I played my hand, i rolled the dice
Now im paying for my sins
I got some bad addiction baby its you yeah yeah thats
right
And i feel you taking over me
Could luck be a lady in here tonight

Chorus

My odds are stacked
Ive never been a gambling man
ive never had the winning hand
but for you i'd lose it all
My odds are stacked
Ive never been a gambling man
ive never had the winning hand
but for you i'd lose it all
(Baby i'd lose it all)

Baby
oh Could you be the queen of hearts
or the devil in disguise
With every move
I'm blinded by those diamonds in her eyes
I got some bad addiction baby its you yeah yeah thats
right
And i feel you taking over me
Could luck be a lady in here tonight

Chorus

My odds are stacked
Ive never been a gambling man
ive never had the winning hand
but for you i'd lose it all
My odds are stacked
Ive never been a gambling man
ive never had the winning hand
but for you i'd lose it all

im raptured in your sweet lovin but it feels just like a
curse
youre beneath my skin i start tremblin with this love so
dangerous
place your bets i want you place your bets
why dont you just place your bets on me

repeat chorus
