Olvidate de eso, me aborrece el proceso
Mejor q me maten, yo no vuelvo a estar preso
Porque no dejan q yo haga un par de pesos?
Dicen q lo mio es ilegal y por eso
Esto va de mal en peor
Y se pasa mejor si el guardia no fuera tan abusador
Te violan tus derechos y abusan del control
Ya no hay privilegios ni bajo parol,
Ni pases extendidos, probatorias ni grilletes
Por culpa de los guardias el motin se fue algarete
Y me pregunta porque nadie me visita,
Solo viene a verme mi vieja solita

I'm steady trying find a motive,
Why do what I do?,
Freedom ain't gettin no closer,
No matter how far I go,
My car is stolen, no registration,
Cops patrolling, and now they done stop me,
And I get locked up,
[Coro]
They won't let me out, they won't let me out, (im locked up)
They won't let me out no, they wont let me out, (im locked up)
They won't let me out, they won't let me out, (im locked up)
They won't let me out no, they won't let me out

Ya son las 9 de la noche, callÃ³ el telÃ³n,
Yo en prisiÃ³n pero mi mente en el callejÃ³n
Pensando en mi corillo y en su eterno vacilÃ³n
Me encuentro solo y triste y sufre mi corazÃ³n,
Por la condena q lucho dÃ³a a dÃ³a
Mi juventud se escurre en una celda frÃ³a,
Mi alma en penitencia, mi vida en agonia
Y es muy poca la esperanza de salir todavÃ³a
Las lÃ³grimas q mojan el papel de mi triste carta,
Comentarle a mi familia lo mucho q hacen falta,
A pesar de todo sigo con mi frente alta,
Soy un simple preso q la sociedad descarta

They won't let me out, they won't let me out, (im locked up)
They won't let me out no, they wont let me out, (im locked up)
They won't let me out, they won't let me out, (im locked up)
They won't let me out no, they won't let me out

Cuz visitation no longer comes by,
Seems like they forgot about me,
Commissary is getting empty,
My cell mates getting food without me,
Can't wait to get out and move forward with my life,
Got a family that loves me and wants me to do right
But instead I'm here locked up

They won't let me out, they won't let me out, (Im locked up)
They won't let me out no, they wont let me out, (Im locked up)
They won't let me out, they won't let me out, (Im locked up)
They won't let me out no, they won't let me out

Maybe a visit (they won't let me out)
Send me some magazines (they won't let me out)
Send me some money orders (they won't let me out, no)
Maybe a visit baby (they won't let me out)
Cuz im locked up, they won't let me out.
Wheres my lawyer? (they won't let me out)
Im locked up, they won't let me out, no.
Get me outta here (they won't let me out)
Im locked up, they won't let me out, they won't let me out.
Baby Im locked up they won't let me out, no
Where's my niggaz?
On the lock-down.
Damn, im locked up, they won't let me out.
Im locked up, they won't let me out.
Ohhh... they won't let me out.
Can you please accept my phone calls?
Cuz Im locked up, locked up, locked up.
