I'm crawling over  
Into your mind  
It's getting colder  
Behind my eyes

Painted on your face I see  
Remains of true beauty  
Torn apart by ignorance  
Left alone to bleed

Incomplete  
All I am  
And out of reach  
Falling fast  
And all I want in this world is gone

Incomplete  
All I'll be  
And out of reach  
Far from me  
And all I want in this world is gone

Sounds of the city  
All died away  
Storing the heat in  
The unborn day

All the signs of tragedy  
Refusing to be seen  
You are like a flame to me  
And I'm the gasoline

Incomplete  
All I am  
And out of reach  
Falling fast  
And all I want in this world is gone

Incomplete  
All I'll be  
And out of reach  
Far from me

And all I want in this world is gone
